

farmerboe

Farmerboe is married to Roseyboe and lives at Boe Meadows Farm.

He is a jolly little fellow indeed and always has a giggle in his belly.

He loves his animals dearly, especially his evening walks with Oink, when they enjoy the odd story from Scareboe.

Farmerboe loves to roller skate on the Boe-levard with the wind rushing through his face hair. His favourite thing of all is to drive his tractor and watch the sun set, whilst enjoying his carrot cake and a flask of Boe Brew.
